	FALL	WINTER	SPRING	SUMMER
Year 1				
Year 2				
Year 3				
Year 4				

Keep in mind:

ALL courses used to satisfy major requirements must be taken for a letter grade and **passed with a C- or better**.

CSE or ECE Project Course (pick one): CSE 118, 145, 147, 148, 170, 176A, 176E, ECE 115, 140B, 144, 191, 196.

Electives: Ten courses (forty units) must be completed

- At least 40 units of upper-division (or graduate) CSE and ECE courses need to be taken as electives, which includes CSE 100–299 and ECE 100–299.
- Maximum of 4 units of P/NP courses may count among the following: CSE 198, 199, 199H, ECE 198, & 199. Beyond CSE/ECE electives, additional units of these courses can count toward the total degree units.
- UG students may use CSE or ECE graduate-level courses toward their major requirements but may need a petition if they have taken the equivalent/similar undergraduate course. UG students must get instructor's and departmental approval (EASy request) to enroll in a graduate course.
- Only 8 units of CSE or ECE electives or technical elective courses from departments outside of CSE or ECE may be used to fulfill major requirements.

Open Electives: At most eight units of either lower- or upper-division CSE or ECE courses, which includes courses taken for a letter grade among courses CSE 3–199 and/or ECE 5–199.
