ELECTRICAL & COMPUTER ENGINEERING

SUMMER RESEARCH INTERNSHIP PROGRAM

ONLINE ORIENTATION
JUNE 23RD, 2022
SRIP is a 2-quarter long internship program from Spring to Summer while most interns start during the Summer quarter.

- **Start Date** → June 27th, 2022
- **End Date** → September 2nd, 2022
LOCATION

- Internship location varies depending on the faculty mentor. Coordinate with them whether you’ll be participating in-person, remote, or hybrid.
- SRIP is a full-time commitment; students are expected to work **40 hours per week**.
- Coordinate with your faculty mentor or PI regarding your internship schedule (i.e. start time).
- Students are also expected to not accept any other employment for the duration of the program.
SUMMER RESEARCH CONFERENCE (SRC)

- The UCSD Academic Enrichment Program organizes the conference and the dates are August 11 and 12, to be held in-person at the Price Center (Registration Fee $75).
- Undergraduate students are required to participate. Graduate students who participate in a lab group with undergraduate students can also participate in the conference.
SUMMER RESEARCH CONFERENCE (SRC)

- After the conference, send your presentation slides to jamoneda@eng.ucsd.edu (slides should include the names of everyone in your group and the title of your research project).
- Deadline to submit final research presentation slides: SEPTEMBER 2ND
STIPEND

- Research interns will receive a summer stipend in the amount of $5,000 – paid in two installments.
- If you're not enrolled in direct deposit, the stipend will be mailed as a paper check to the address on TritonLink.
- Payment schedule:
  ● July 15th, 2022 (will be awarded beginning of August)
  ● August 12th, 2022 (will be awarded beginning of September)
Do not forget to submit your SRIP Evaluation (due September 2nd).
You can also access the form by clicking here.
