## Please note:

- Due to seven different college requirements, only **major** requirements are listed. Students must contact their college advisors for questions regarding General Education and University of California requirements.
- This plan assumes that transfer students have completed all the transferable lower division MATH, PHYS and CHEM courses at the community college that are required by the major.
- Course offerings are subject to change. Please go to <http://www.ece.ucsd.edu/courses> for more information.
- Go to <http://www.ucsd.edu/catalog/curric/ECE-ug.html> for more information on the Depth and elective requirements.
- ALL courses used to satisfy major requirements must be taken for a **letter grade and passed with a C– or better.**
